

Mobile Winder MRW650 ONE

Winding cables and reels into a ring shape

FEATURES

- Reels and cable rings up to 50 kg
- Mobile winder for winding cable rings and drums
- Cables with diameters of up to 45 mm can be rewound quickly and easily from reel racks or a reel stand
- Ergonomic working height for removing the finished cable rings

The Entry-Level Model – The compact and cost-effective solution for manual use. Ideal for quick and easy winding of small quantities directly at the spool storage area – perfect for mobile use on site. All MRW models are mounted on smooth-running castors and are therefore not tied to a specific location. They can be quickly and effortlessly moved exactly where they are needed in the warehouse or on the production floor.
